

**Promoting Mental Health in Young Children**

**Handle with Care is an interactive program for parents and caregivers, including those who work in early childhood settings.**

**The program promotes the mental health of young children from birth to 6 years.**

**Handle with Care uses a strengths-based approach and assumes that every parent and caregiver has problem-solving skills, potential resources, and wants what's best for the children in their lives.**

**It recognizes the value of every parent, caregiver, and child.**

**The program is delivered in partnership with other organizations. Location varies.**
