

Parent-Child Mother Goose

Discover the power and pleasure of rhymes, songs, and stories.

The Parent-Child Mother Goose Program® is a group experience for parents and caregivers and their infants, toddlers and preschoolers aged 0 to 6 years of age.

The programs focuses on the pleasure and power of using oral rhymes, songs and stories together.

The program helps strengthen parent/caregiver-child attachment, build a supportive group where parents/caregivers can feel comfortable, and create opportunities for different generations to interact.

Groups are offered in the Fall, Winter and Spring of each year. Each offering is delivered in partnership with facilitators from other organizations. Location varies.
